Eindhoven, October 25th, 2018,

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are aligning our Communication on Progress with our internal reporting processes. We hereby ask for an adjustment of our COP submission deadline so that we will be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 1st 2019 at the latest.

Sincerely yours,
