

Barcelona, October 29<sup>th</sup>

To our stakeholders:

We recognize that a key requirement to participate in the United Nations Global Compact is the preparation and annual publication of a Communication on Progress (COP) that includes a declaration of continued support to the Global Compact, a description of practical actions in relation to the ten principles of the Global Compact, and a measurement of current or expected results.

We would like to align the COP's delivery date with our internal reporting cycle. Therefore, we request that the delivery date of our COP be adjusted to March 31, 2019.

Sincerely,

Toni Brunet  
Corporate & Public Affairs Director
