UN Global Compact

October, the 31st of 2018

Object : Grace letter

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statment of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a big project of creating a website and a catalog of our 7 000 products, by ourself, in a company of 50 employees.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and prograss to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact Website by the 20th of november at the latest.

Sincerely yours.

Agnès Guéry-Chandelier
CEO.
