**Statement of continued support**

I am pleased to confirm that Georg Fischer (GF) reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption. As a sign of our commitment to working on developing solutions to the existing societal issues and our belief in the power of multi-stakeholder collaboration, GF upgraded its engagement with Global Compact to Participant level in 2018.

In this annual Communication on Progress, we describe – through our Sustainability Report 2017 – our continuous actions to integrate the Global Compact and its principles into our business strategy, culture and daily operations.

We are committed to share this information with our stakeholders using our primary channels of communication.

Yours sincerely
