Subject: Request an extension of the COP due date

Dear Honorable Secretary-General,

I would appreciate your permission to grant an extension period to submit the COP by end of this year as we are in progress to join membership of Global Compact Network Malaysia to learn the Essentials of ESG-COP Reporting to support ten principles of the Global Compact.

I have communicated with the top management of K-One Technology and we are committed aligning our strategies and operations with Ten Principles and its Sustainable Development Goals, with an emphasis on collaboration and innovation into our company policy, implementation and monitoring.

Thank you for your consideration.

Yours sincerely,

Lim Yong Hui
