Reference: Adjustment Request for Reporting Date COP

Dear Secretary of the UN Global Compact,

Koninklijke Brill NV continues to support UN Global Compact for businesses and the *Sustainable Development Goals* it sets out to achieve. With this communication, we would like to request an adjustment of our reporting date to align with our internal and external company reporting cycle. We are a publicly listed company and our annual company report is always published in April to coincide with publication of our annual figures and our press/analyst day. We would, therefore, like to request a permanent extension of the reporting deadline to **15 March** each year starting in 2019.

Sincerely yours,

J.P. Coebergh
Chief Executive Koninklijke Brill NV
