Part I. Statement of Continued Support by the Chief Executive or Equivalent

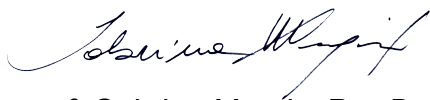

October 30th, 2018

To our stakeholders:

I am pleased to confirm that **École Universitaire Internationale** reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

prof. Sabrina Magris, Psy.D

President

Part II. Description of Actions

In line with its mission, École Universitaire Internationale incorporates the Global Compact principles into its internal operations and has undertaken a number of actions to promote them.

- **Deliver education on topics related to the Global Compact**

École Universitaire Internationale delivers courses to national and international students as well as advanced training to participants from different organizations. Our program welcome students from all over the world to attend courses and also to spend time in a multicultural and international environment.

The aim is to contribute to people's education and training, to scientific research and to the technological, organisational and social innovation.

École Universitaire Internationale cooperates with national and international organizations and with public and private research institutes, promoting the internationalisation of teaching and research.

Courses program cover topics related to the knowledge and promotion of Human Rights such as: gender equality, gender studies, peace and security studies, cooperation and development, strategic communication,

- **Promote capacity building**

In our activities we work to promote capacity building for policy makers and professionals from public institutions and private companies through tailored courses to improve and increase the leadership skills.

- **Incorporate the GC principles into internal operations**

Contribute to the elimination of discrimination in respect of employment and occupation, by hosting stage opportunities in the framework of social inclusive initiatives for the re-employment and social integration of persons.
