To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement. We are late in creating, sharing and posting our COP report due to this year we have not prepared a corporate report that included the progress report for work saturation and we will present a specific COP to UN Global Compact.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 30<sup>th</sup> 2019 at the latest.

Sincerely yours,

Mr. José Luis Castro Romero  
CEO  
SEVERIANO SERVICIO MÓVIL, S.A.
