To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are delayed in creating, sharing and posting our COP Report due to a change in our company branding scheme, palette and design.

We will submit our Communication on Progress by 20th December, 2018.

We, hereby, would like to request for an extension in the submission period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP Report will be posted on the Un Global Compact website by 20th December, 2018.

Kind regards,
