Dear Sir/Madame

UN Global Compact Communication on Progress: Grace Letter

As a proud member of UN Global Compact, TÜMAD recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

TÜMAD is a subsidiary of NUROL Holding and we would like to publish our first progress report in an integrated manner with them.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact to when NUROL Holding publish their COP report. Our first COP report will be posted on the UN Global Compact website by 08/03/2019 at the latest.

Sincerely yours,
