

January 7th, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to February 7th, 2019. This is because we want to include the results of our activities in 2018 in this report. Therefore, we need a little more time to evaluate the 2018 data.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 7th of May 2019 at the latest.

Sincerely yours,

Mr. Metin AKMAN
General Manager
