Denmark 10,01,2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and

posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for

the UN Global Compact, a description of practical actions with regard to the principles of the UN Global

Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to heavy project activity in our business.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts

and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on

the UN Global Compact website by 01.05.2019 at the latest.

Sincerely yours,

Mr. Johan Herold Højgaard

CEO
