GRACE LETTER

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in publishing our COP report due a very extensive workload for our small organization in the last 6 months. In order to submit a COP that fully reflect our progress on implementing the 10 principles and our support of the network, we would like to utilize the opportunity for a grace period of three months.

Our new COP report will be posted on the UN Global Compact website by 11th of April 2019 at the latest.

Sincerely yours,

Thomas Kjærgaard, CBDO
