## Communication on Progress

To whom it may concern,

It is my great pleasure to inform you that CWS-boco International GmbH continues to support the 10 Global Compact principles in the areas of human rights, labour, the environment and anti-corruption. We remain wholly committed to promoting the principles within our sphere of influence. We undertake to integrate the Global Compact and its principles actively into our corporate strategy, our corporate culture and our day-to-day business activities over the coming years and also to participate in cooperation projects which serve to advance the general goals of the United Nations, in particular the Sustainable Development Goals. CWS-boco International GmbH communicates its involvement in the Global Compact clearly to its stakeholders and the general public.

With submission of our sixth Communication on Progress (COP) for 2017, we have outlined our company's efforts to implement the ten principles. We would like to offer an insight into the measures taken and the results thereof. In addition to the COP, we have also made our interim CR Report available.

Yours faithfully,
