To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are unable at the moment to create, share and post our COP report due to the fact that the information necessary to process these results is still being produced.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 28 février 2019 at the latest.  
Sincerely yours,

Mr. Michaël LECLAIR  
Directeur APF Entreprises 54
