Dear Mr Secretary-General

I am pleased to confirm CPA Australia's continued support of the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption.

With this commitment, we reaffirm our intent to advance these principles within our sphere of influence, and make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/ Local Networks; involvement in specialised initiatives and workstreams, engagement partnership projects; and reviewing and providing commentary to participating companies on their Communications on Engagement.

Yours sincerely
