

To our stakeholders:

Grace letter for COP report publication

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have a delay in creating, sharing and posting our COP report due to English translation and design adjustments.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 15.02.2019 at the latest, and we will work to publish it as soon as possible.

Sincerely,

Anat Sigman

Corporate Responsibility Manager
