Mannheim, January 31st, 2019

To our stakeholders:

We, the Chamber Orchestra Mannheim – UNESCO City of Music – recognize, that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to organizational changes within the business administration of Chamber Orchestra Mannheim.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by April 30th 2019 at the latest.

Sincerely yours,

GraSiele Gefälle, 31.01.2019, Mannheim
