To our stakeholders,

I am pleased to confirm that OSF Global Services reaffirms its support of the ten principles of the Global Compact in the areas of Human Rights, Labor, Environment and Anti-corruption. With this communication, we express our intent to further advance and support those principles within our sphere of influence. We are further committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Alin Dorobantu
