

GRACE LETTER

Jakarta, February 11, 2019

To our stakeholders :

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, and measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting out COP report due to internal process reporting of the COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 8, 2019 at the latest.

Sincerely yours,

MeshvaraKanjaya
