To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to some unforeseen emergency situation arising during summer monsoon season last year and the extraordinary heavy snowfall as well as unprecedented glacier meltdown this year leading to evacuation of the population from in some of our operational areas. Thus our operations have not yet returned to normal as many areas are yet not accessible.

We want to align our internal reporting cycle with the COE deadline. We hereby request our COE deadline to be adjusted to August 25, 2019.

Sincerely yours,

Dr. Amena Hasan

Chief Executive Officer
