

Paris, 1 March, 2019

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our requirement to align it in accordance with our reporting calendar as we would like to provide the most recent and accurate information from 2018.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact in alignment with our completed analysis of our 2018 sustainability efforts and outcomes. Our new COP report will be posted on the UN Global Compact website by 13 April at the latest.

Sincerely yours,
