

13<sup>th</sup> February 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

From 2019 on Enics is reporting UNGC actions as part of Ahlström Capital Group, our owner. In order to align with the reporting cycle and deadline of Ahlström Capital Group, we request a change in our annual COP date to 22<sup>nd</sup> June each year. The reporting cycle will remain the same, from 1<sup>st</sup> January to 31<sup>st</sup> December.

We hereby ask for an adjustment to our deadline in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 22<sup>nd</sup> June 2019 at the latest as part of Ahlström Capital Group Communication on Progress (COP) report.

Sincerely,

Susanna Kohisevankoski  
Vice President, HR and Communications
