Dear Mr. Secretary-General,

I am pleased to restate our commitment to the ten principles of the Global Compact on human rights, labour, environment and anti-corruption. Our ultimate objective as impact investors is to deliver positive social and financial return. We are committed to investing our client's assets responsibly, and supporting our investees improve their impact.

It is also my pleasure to share with you that we have launched in 2018 a partnership with the United Nations Capital Development Fund (UNCDF) to establish an investment vehicle that will support the UN Sustainable Development Goals in the world's Least Developed Countries. This pioneering investment vehicle aims to attract concessional and commercial growth finance to UNCDF's pipeline of small and medium sized enterprises, financial service providers, and local infrastructure projects. For more information, kindly see press release here <http://www.bamboocp.com/wp-content/uploads/181212-UNCDF-FINAL.pdf>

Another exciting development for us during 2018, has been the launch, together with IFAD and with seed funding from the European Union, of the ABC Fund aimed to provide loans to owners of rural, agricultural SMEs in Sub Saharan Africa. Should you wish to learn more, please follow this link <http://www.bamboocp.com/wp-content/uploads/IFAD-announcement.pdf>

Finally, please find the link <http://www.bamboocp.com/about/impact/> to our annual Impact Report which details the progress done in achieving impact and promoting better ESG practices at our company and through our investees.
