

5 February 2019

Dear ECLT Partners, Stakeholders and Project Communities,

We recognise that a key requirement for participation in the UN Global Compact is the preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to unforeseen staff transitions, including at executive level, the ECLT Foundation is delayed in the preparation and sharing of our COE report. The Foundation is working diligently to ensure continuity, maintain strong service delivery, and continue reporting during this transition.

We hereby ask for an extension period in order to be able to post a COE that describes our organisation's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 12 July 2019 at the latest.

Sincerely yours,
