

Letter from the President
COMMITMENT TO UNITED NATIONS GLOBAL
COMPACT

Warm greetings and best wishes from Gulf Petrochemical Industries Company (GPIC), in the Kingdom of Bahrain.

This year marks the seventh anniversary of GPIC's Commitment to the United Nations Global Compact (UNGC). Whilst much has changed in the world and in our company over the past few years, our commitment to the UNGC's ten principles remains firm.

Dr. Abdulrahman Jawahery
President
Gulf Petrochemical Industries Co. (GPIC)

We are also proud of our commitment to the UNGC's Six Food and Agriculture Business Principles (THE FAB 6 Principles) and Women's Empowerment Principles (WEPS). In our 2019 Communication on Progress Report to the UNGC, GPIC will report according to the UN Global Compact 'Advanced Level' and we will describe how we meet the 21 criteria of this level. We have also covered our progress on the FAB6 Principles, WEPS and our alignment to the SDGs in addition to the UNGC Ten Principles.

Our company is an avid supporter and promoter of the UNGC's ethical tenet and our commitment to this global alliance is worn as a badge of honour. It therefore gives me great pride to confirm our commitment and membership of UNGC.
