Grace letter

NNE has been a participant of the UN Global Compact since 2008/11/10. We are required to submit our communication of progress by today 2019/03/13.

The COP report is anchored at our board of directors and presented together with the annual report. This year the annual report signature has been postponed to 2019/03/28. Therefore, we would like to request additional time to submit our COP report for 2018. We would like to ask for an extension of additional 30 days to submit the COP.

Best regards,

Lis Thodberg
