

15<sup>th</sup> March, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report as we are integrating it with our financial and corporate governance report to be submitted to our shareholders on 26<sup>th</sup> March, 2019.

We hereby ask for a brief extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31<sup>st</sup> March, 2019 at the latest.

Sincerely yours,

Youshey Zakiuddin
