President Statement of continued support

Dear Mr. Secretary General,

I am pleased to confirm Milal Heart Foundation continued support for the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

Milal Heart Foundation is dedicated to driving improvements in responsible and ethical business practices in 23 countries.

Also, we has supported more than 3,600 cardiac surgery patients around the world.

We recognize the vital role that the UNGC plays in advancing sustainable development across the global business community.

As a non-business signatory we will continue to promote the values of the UNGC with our members.

The Communication of Engagement (COE) below, outlines the actions and outcomes that our organization has taken over the last two years to support the UN Global Compact and its Principles.

We welcome any feedback.

Your sincerely,

A stylized, handwritten signature in black ink, appearing to read 'J. Lee'.

Jeong-jae LEE

President of Milal Heart Foundation

13 Jan, 2019

About Milal Heart Foundation

Milal Heart Foundation gave new life more than **3,600** heart disease patients around the world since 1987. Milal Heart Foundation has supported expense of cardiac surgery and provided scholarships for outstanding children who had been cardiac surgery. Also, Milal Heart Foundation has provided free medical diagnosis, cultural event and tour for heart disease children and works for building houses for them.

[Vision: Make the Heartbeat around the World]

UN Global Compact – Communication on Engagement

Human rights

1. Businesses should support and respect the protection of internationally proclaimed human rights.
2. Make sure that they are not complicit in human rights abuses.

“ Treat everyone with respect ”

1. Cardiac surgery: To respect the right of life

Milal Heart Foundation has supported more than 3600 cardiac surgery in 23 countries
and has MOU for cardiac surgery

Countries supported by Milal Heart Foundation

2. House building: To protect from Dengue fever, Malaria, Flu, etc

Milal Heart Foundation built
total 20 houses for Cardiac surgery children (Philippines: 3 / Vietnam: 17)

Labour

3. Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
4. the elimination of all forms of forced and compulsory labour
5. the effective abolition of child labour
6. the elimination of discrimination in respect of employment and occupation

“ We dedicate to promote children going to school instead of work place ”

- To offer education opportunities for children in poverty
- To cultivate global leaders for children who had cardiac surgery
- To support children who could barely afford the educational expenses
