### **Grace period for 2018 Communication on Progress**

Tomra Systems ASA recognises that the preparation of the Communication on Progress (COP) on an annual basis is an important element of participation in the UN Global Compact.

As TOMRA's 2018 Annual Report, which includes our COP, is due to be published in early April, we respectfully request an extension to the COP deadline and a new submission date of 14<sup>th</sup> April 2019.

Yours sincerely,
