GRACE LETTER

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the IUN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP due the changes in the internal reporting lines.

We hereby ask for an extension period. Our new COP report will be posted on the UN Global Compact website by 31st of May, 2019, at the latest.

Sincerely yours,

Dr. Ruth E. Blumer Lahner

Head of Regulatory Affairs, Sustainability & SHEQ of the Kolb Group
