## **Adjustment Request**

Tokyo Century has been a member of the United Nations Global Compact since April, 2019. We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This letter is to file an Adjustment Request to update Tokyo Century's Communication on Progress submission deadline from April 19, 2019 to October 31, 2019. This change will better align Tokyo Century's COP with our annual reporting and improve the timeliness and relevance to stakeholders of the information included in the document.

Sincerely yours,

Keisuke Yamashita  
General Manager of Investor Relations Division  
Joint General Manager of Corporate Planning Division
