

merry year  
social company

April 15<sup>th</sup>, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to delayed schedule of finalizing our 2018 annual report. We have been sharing our annual report as a UN Global Compact COP report. Even though our internal task force team which is working on writing and editing the 2018 annual report is trying its best to finish the job, the team needs some more time to finalize it due to unexpected events and extra work loads.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 12<sup>th</sup>, 2019 at the latest.

Sincerely yours,

Mr. Jeongtae Kim

CEO
