

## 3.2 Tarkett's CSR ambition and commitment

### 3.2.1 A word from the CEO

**Fabrice Barthélemy**  
CEO of Tarkett

"At Tarkett, we are committed to serving our customers through our innovation capabilities and longstanding sustainability dedication and achievements. We are deeply convinced that there is an urgency to shift models to preserve the world's finite natural resources and capital. Our goal for the next years is to establish a healthy circular economy in the flooring industry and we invite our stakeholders to join our efforts on this journey. In 2018, we have not only reduced our environmental footprint but also contributed positively to global societal challenges, inspired by the United Nations' Sustainable Development Goals (SDGs) and by the 10 principles of UN Global Compact."
