To Our Stakeholders :

We recognize that a key requirement for a participation in the UN Global Compact is the annual preparation and posting of a Communication On Progress (COP) that comprised of a statement of continued support for the UN GLOBAL COMPACT and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unforeseen and immediate resignation of our In-Charge that there were no endorsement at all of documents in compliance with COP requirements.

In lieu of this, We are asking for the extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN GLOBAL COMPACT.

Our new COP report will be posted on the UN GLOBAL COMPACT website by **26 of July 2019.**

Sincerely yours,

GYE SOO OH
