Sustainability Effort throughout Corporate Social Responsibility

Retail business is People business. Our experience for the past 20 years have been always about people, within internal organization, the business circles from suppliers to landlords and other stakeholders like government and the communities nearby our stores as well as the communities nearby our hearts and minds; and not of least importance is our customers.

We believe that sustainability of the company is best served through improving social sustainability which is related to sociocultural and nutrition development as well as environment-friendly practices. PT Supra Boga Lestari Tbk. with the two business banners Ranch Market and Farmers Market, focus on activities that involved social nurturing and education, preserving mother nature and promoting cultural and lifestyle diversity; with the end in mind....Make the world a better place to live for God's creatures.

Our vision to become the most respected & loved supermarket in Indonesia & be a respectable learning field in retail industry for future generations, relentlessly drive us to focus on improving living standard of our customers, our stakeholders and our world.

2018 was a busy year for PT. Supra Boga Lestari Tbk marked by major renovation of the first Farmers Market store and transformed this store to be the flagship store for Fresh Organic Produce store and few store openings. The stronger presence of both Ranch Market and Farmers Market not only helps promoting local farming & local fishing but also improving the awareness on nutrition and environment – friendly way of living.

We believe Indonesians are more social and environmental conscious, the bright future lies in front of us and as the leading premium retailer we play a significant role in making the change.

With warmest regards,
Meshvara Kanjaya
CEO

PT Supra Boga Lestari Tbk At a Glance

Our simple mission 20 years ago was to create a wonderful shopping experience through Fresh and Excellent products, unique ambience and outstanding service. Since the very beginning of its operation, Ranch Market was determined to give the best fresh products to the customers. Now after more than 20 years of operation Ranch Market and Farmers Market continue to strive to give the best fresh products to the customers and this leads to high fresh sales contribution, more than 40% of total sales; compare to groceries. The mission stands strong because we believe that fresh categories in a wonderful shopping experience will bring the trust and loyalty of the customers and eventually will sustain the business in the long run.

In the 20 years of our business journey, as part of conscious corporate citizens; Ranch Market and Farmers Market identified the opportunity to provide healthier products and be the forefront for the growing healthy lifestyle. More than 2000 natural and organic products are available in our 38 stores across Indonesia. Furthermore, in order to better serve our customers every day, Ranch Market and Farmers Market have launched their new concept of compact store to meet the need of customers that are more and more time scarce . Ranch Market and Farmers Market also expand the range of more convenient products like Ready to eat, Ready to drink products and Fresh Bar.

We also continue to implement corporate governance principles in all of its activities, based on core values of the company as the values in order to improve performance, protect the interest of stakeholders and for compliance with all applicable regulations. PT Supra Boga Lestari Tbk has completed the preparation of our Code of ethics and it will be the basis of rules for management and employees, as well as guidelines in carrying out its duties and responsibilities.
