TORRELAVEGA

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UNGlobal Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that it is our first COP and we want to provide the fullest possible information on the basis of our non-financial information status. Within 30 days we will proceed to upload the COP to the platform.

We hereby ask for an extensión period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 10<sup>th</sup>, 2019 at the latest.

Sincerely yours,
