

SHANGRI-LA

HOTELS *and* RESORTS

14 May 2019

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CCHRO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are unable to share and post our COP report on the due date as the team was involved in handling the Sri Lanka incident given that our hotel was one of the locations affected.

We hereby request for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 23 May 2019 at the latest.

I look forward to hearing favorably from you. Thank you in advance.

Sincerely yours,

Ms. Mavis Kuek
Senior Vice President,
Corporate Communications
