Dear Ms. Naoko Kimura,

Shwe Taung Group aims to be one of the most responsible and sustainable companies in Myanmar. As a result, our Group is currently working on publishing its first sustainability report in April 2020, which will provide our stakeholders with qualitative and quantitative data capturing how our Group of companies is creating and sharing value. This report will be aligned with the UNGC principles and the Sustainable Development Goals.

We will disclose our results every year, after the closing of our financial year and before the end of April. Therefore, we would like to align our internal reporting cycle with our COP deadline. We hereby request our COP deadline to be adjusted to 30th of April 2020.

Sincerely yours,

Ms. Nan Hla Hla Aye
