To our stakeholders

I am pleased to confirm that Promociones Serigraficas SA (Prommos) reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this anual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication.

In the search of the excellency in these core áreas we have assessed and measured our efforts through EcoVadis, international renowned audit firm, being recognised with a Gold Rating, as we are one of the TOP 1% of suppliers assessed by EcoVadis in all categories

Sincerely Yours,
