COMMUNICATION PROGRESS ACOME 2019

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our communication includes the report CSR 2018-2019 and this report will only be presented and validated by our General Assembly at the end of June 2019.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by september the 6th, 2019.

Sincerely Yours.

QSE, Performance & CSR Group Director
