

United Nations Global Compact
685 Third Avenue, FL 12

21 May 2019

Dear Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This year we have been undertaking a company-wide materiality assessment in order to support the creation of a corporate sustainability report for inclusion in our Annual Report.

The materiality assessment forms a significant piece in our company's efforts and progress to implement the principles of the UN Global Compact and we would like to ensure it is appropriately reflected in our COP.

We hereby ask for an extension period of 90 days in order to be able to post a COP.

Yours faithfully
