

21 May 2019

To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of:

- a CEO statement of continued support for the UN Global Compact,
- a description of practical actions with regard to the principles of the UN Global Compact,
- and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COP report due to changes in personnel within the organisation. This has led to an increase in workload for existing team members whilst we recruit staff to support the ongoing work of IrisGuard UK Ltd.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by Wednesday 31st July 2019 at the latest.

Yours sincerely,

Mr Imad Malhas
Founder & CEO
