Dear Mr Secretary General,

Further to Vallourec's adhesion to Global Compact on July 23, 2010, I am pleased to confirm our company's pledge to support the ten principles of the Global Compact and our will to implement them as part of our strategy and our day-to-day operations.

As the attached documents clearly show, we achieved additional progress and we are still committed in 2019 to comply with the four domains for action of Global Compact .We are also proud to have been acknowledged as having reached the "advanced status " further to the qualification process of Global Compact France for several years.

Sincerely yours,

Philippe Crouzet,
Chairman of the Management Board
