Re.: Grace letter from Vygon (UK) Ltd

Vygon UK Ltd recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a workload related to our Annual Business Responsibility Report, and our efforts in integrating our COP into it.

We, at this moment, ask for an extended period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 10 Oct 2019 at the latest.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'A. M.'.
