To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Unfortunately, unforeseen events in the rapidly changing landscape of the healthcare sector in Cyprus have resulted in delaying the preparation, sharing and posting of the COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15th August 2019 at the latest.

Sincerely yours,

Andreas Savvides
Director
