Grace Letter asking for the extension of the deadline for submitting our COP.

Dear Ladies and Gentlemen,

I would hereby like to request an extension of the deadline for our annual Communication of Progress (COP). We can point to improvements in the implementation of the UN Global Compact's 10 Principles. However, the last months have been busy, and in addition, we would like to conduct a more in-depth evaluation of some of our CSR measures before featuring them in our COP.

I would like to apologize for the delay, but can assure you that we will submit the COP soon. Thank you very much for your understanding and patience.

Yours sincerely,

Harald Zulauf
CEO
