The Social Entreprise

Istanbul June 18 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to an intensive time with on boarding new employees and training them to new products in our social enterprise. As it is our priority to provide more employment to women in need.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 30 2019 at the latest.

Sincerely yours,

Izabela Szeliga Erşahin
