Dear Mr. Secretary General,

I am pleased to renew our confirm that "Soberana Casa Real Sefarad e Ducado de Lucena, ou Real Casa de Lucena", (Sovereign Royal House Sefarad and Duchy of Lucena, or Royal House of Lucena), supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anticorruption. With this commitment, we express our intent to continue support the Global Compact the advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to continue and participate in and engage with the UN Global Compact in the following ways:

- Forming Knights in our Order prepared for a new world of fraternity.
- Hold meetings and studies of social interest issues that concern contemporary society in order to express an opinion of them.
- Promote social events to raise funds in order to maintain the work and social action projects we undertake voluntarily.
- Promoting Ethics, peace, citizenship, human rights and environmental protection, and other universal values through our campaigns or in partnership with entities that have the same interests.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely,
