Overall performance Benchmark: 100.00%

Other Details:

This demonstrated as being a leader in the industry and walking the walk and talking the talk in our operations being open in our communication to the customers and the general public.

A lot of time has been put into communicating this to the community but there is a general understanding that it is still over their heads.

Th Dreamworld episode has highlighted the CSR issues.

REPORT NOTES**BUILDING CONDITION**

This report is based on the condition of the building's common areas at the time of inspection, if any major changes occur we suggest that the initial report be updated to incorporate the changes.

This Inspection Report does not include the inspection and assessment of items or matters outside the scope of the requested inspection and report.

Other items or matters may be the subject of an Inspection Report which is adequately specified.

The inspection only covered the Readily Accessible Areas of the property. The inspection did not include areas which were inaccessible, not readily accessible or obstructed at the time of inspection. Obstructions are defined as any condition or physical limitation which inhibits or prevents inspection of the property.

Please be advised that a detailed inspection of balcony railings was not carried out as part of this report. A suitably qualified building contractor or structural engineer should be engaged to assess the structural integrity of the railings and fixings where noticeable signs of railing or fixing degradation are evident.

READILY ACCESSIBLE AREA INSPECTED

The inspection covered the Readily Accessible Areas of the property including:

Building Interior Building Exterior Roof Exterior Driveway Area

The grounds including landscaping, retaining walls, fences within the property boundaries.

SUMMARY OF EMERGENCY ACTION ON DISCOVERING A FIRE

- Ensure the immediate safety of anyone within the vicinity of the fire.
- Operate warning systems (if one available) eg. manual call point (M.C.P.).
- Notify the Fire Service 000 – triple 0 or your local emergency number, (call even on suspicion of a fire e.g. smell of smoke).
- Fight the fire (if fire equipment is available and safe).
- Evacuate the building.
- Move to and stay at assembly area.
